

## **ESV EURIDICE GIE**

### **Visits to the EIG EURIDICE Regulations and practical arrangements**

1. Visitors must be at least 18 years of age on the date of the visit.
2. The list with the personal identity details of each visitor is to be sent by e-mail to the EIG EURIDICE contact 14 days before the date of the visit.
3. All visitors must be able to prove their identity (ID card/passport) when they report to the entrance of the EIG EURIDICE.
4. No photography or filming is allowed during the visit (nuclear site).
5. EIG EURIDICE reserves the right to cancel or cut short the visit for valid reasons. Valid reasons include: unforeseen work in the underground research laboratory or failure on the part of visitors to comply with the agreed starting time or programme.
6. For practical reasons, visitors are advised against wearing high heels during the visit to the underground laboratory.
7. For safety reasons, people who need assistance walking may only visit the exhibition on the surface. If a visitor is in any doubt on this matter, the guide will consult with the safety manager during the visit and decide whether or not a visit to HADES is possible.
8. If visitors arrive by coach, the driver must also report to the guide with his or her ID card/passport.
9. Visitors must always follow the instructions of the guide.
